Regardless of whether **Your company is**

**a digital native, a brick-and-mortar player,
or a behind-the-scenes producer or supplier**

A close-up photograph of a person's hands holding a white fabric ribbon. The ribbon has the words "Merry Christmas" printed in a black, cursive font, repeated four times across the length of the ribbon. The ribbon is held taut between the hands, which are positioned on either side of the frame. The background is dark and out of focus, showing the person's hair and clothing.

**If you are always
seeking something unique
to set yourself apart from others,**
